

**NAMIQUIPA DRILLING COMMENCES  
PRESENTATIONS / INVESTOR BRIEFINGS**

3 October 2014. Santana Minerals Limited (**Santana**) is pleased to provide an update on drilling at the Namiquipa project and details of forthcoming investor presentations and briefings in Sydney and Melbourne.

Santana's recent rights issue successfully completed raising approximately \$1.95M before costs (refer announcement 15 September 2014) with part of the funds raised targeted for exploration drilling at the 100% owned Namiquipa Silver/Lead/Zinc Project in Chihuahua, Mexico.

A 2,500- 3,000m diamond core drilling program designed to test the northern extensions of the vein system at Namiquipa has commenced. This program was the topic of an earlier announcement of 17 July 2014 which disclosed the outcomes of a detailed review undertaken by Corbett and Menzies Consulting.

Santana remains focused on exploration for gold and silver in Mexico where it owns the Namiquipa Project and is earning-in to an 80% interest of the Cuitaboca silver gold polymetallic project in Sinaloa, Mexico.

The Company is presenting at the Gold Symposium to be held on Wednesday 8 and Thursday 9 October at the Sofitel Wentworth in Sydney, and welcomes the opportunity to meet with shareholders and investors.

Santana is also presenting as part of the Proactive Investor Luncheons during the week of 13 October 2014 and is pleased to invite shareholders and investors to an update. The Proactive Investor Luncheons will be held as follows:
